You are also allowed to park, without charge, in the faculty/staff parking deck adjacent to the visitor lot after 4 PM.

Above is a section of the Emory campus map. The visitor parking lot and the building (Psychology and Interdisciplinary Studies or PAIS) in which the Child Study Center is located are marked. To access the Child Study Center, please use the exterior doors to the right of the North Entrance main building doors (the entrance is slightly recessed under an overhang). The researcher conducting the study will either be waiting for you, or will meet you in the waiting room shortly.
